Renee Cox Defamation !!!! Lies and defamation seems to be what you are good at. The police have asked you to pull this slander and lies down. But you think you are above the law bullying a cancer patient you must be proud.

Kris Kinnish Renee Cox don't even listen to to it Renee every person knows what he is in the hobby , he makes stories up and twists truth to pump his little ego up than delete posts and run, a true person that cares for wildlife would stand and fight but he deletes comments or turns them off lol only a matter off time he will sue everyone lol

Nicque Mahnee excuse you this is actually defamation and only speculation it's actually illegal for him to make up lies about me. Raymond hoser please remove your lies and defamation the police have asked you to take it down and it's still here. Don't you think you need to obey by laws ?

Hoser the police asked you to take this down as it's hearsay and not proven to be true it's defamation. You need to take your lies down now please. This is complete and utter defamation of character.
